

## Recombinant *Staphylococcus saprophyticus* subsp. *saprophyticus* ATCC 15305 SSP\_RS07685 protein, His-tagged

### SPECIFICATION

|                         |                                                                                                                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Cat.No.</b>          | SSP-RS07685-0613S                                                                                                                                                                      |
| <b>Species</b>          | <i>Staphylococcus saprophyticus</i>                                                                                                                                                    |
| <b>Product Name</b>     | Recombinant <i>Staphylococcus saprophyticus</i> subsp. <i>saprophyticus</i> ATCC 15305 SSP_RS07685 protein, His-tagged                                                                 |
| <b>Product Overview</b> | Recombinant <i>Staphylococcus saprophyticus</i> subsp. <i>saprophyticus</i> ATCC 15305 SSP_RS07685 full length or partial length protein was expressed.                                |
| <b>Source</b>           | <i>E. coli</i> or Yeast                                                                                                                                                                |
| <b>Tag</b>              | His                                                                                                                                                                                    |
| <b>Form</b>             | Liquid or lyophilized powder                                                                                                                                                           |
| <b>Endotoxin</b>        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                                                                        |
| <b>Purity</b>           | > 80% by SDS-PAGE                                                                                                                                                                      |
| <b>Notes</b>            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.                                                       |
| <b>Storage</b>          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                                                                                    |
| <b>Storage Buffer</b>   | PBS buffer                                                                                                                                                                             |
| <b>Gene Name</b>        | SSP_RS07685 FADH(2)-oxidizing methylenetetrahydrofolate--tRNA-(uracil(54)-C(5))-methyltransferase TrmFO [ <i>Staphylococcus saprophyticus</i> subsp. <i>saprophyticus</i> ATCC 15305 ] |
| <b>Official Symbol</b>  | SSP_RS07685                                                                                                                                                                            |
| <b>Synonyms</b>         | SSP_RS07685; FADH(2)-oxidizing methylenetetrahydrofolate--tRNA-(uracil(54)-C(5))-methyltransferase TrmFO                                                                               |
| <b>Gene ID</b>          | 3615163                                                                                                                                                                                |
| <b>UniProt ID</b>       | Q49X36                                                                                                                                                                                 |
