

Biological Fertilizer - *Brevibacillus laterosporus*

SPECIFICATION

Cat.No.	PGPR-0020BF
Product Name	Biological Fertilizer - <i>Brevibacillus laterosporus</i>
Type	Biological Fertilizer
Function	Antibacterial activity, Insecticidal activity, phosphorus solubilization, and degradation of organic pollutants function
Effective Microbes	$\geq 1 \times 10^{10}$ CFU/g $\geq 2 \times 10^{10}$ CFU/g
Solubility	Water insoluble
Product Description	<i>Brevibacillus laterosporus</i>
Storage Temperature	Room temperature
Shipping temperature	Room temperature
